Dear Parents,

About continuing the session 2020-21

This is to inform you that school has asked you number of times about continuing the session 2020-21 and submitting CBSE Registration fee of your ward but there is no reply from your side. It is highly regretful that neither your ward is attending the online classes nor there is any information whether your ward would be continuing the academic session 2020-21 and submitting the CBSE Registration Fee.

You are now finally advised to inform us whether your ward will continue the studies for the session 2020-21 and submit CBSE Registration Fee or you want to withdraw him/her for this session.

a)- Will continue the session 2020-21
