Dear Parents,

We would like to intimate you that the school is going to open from 15th October 2020 and accordingly all the classes would be conducted physically.

However keeping in mind the present situation of Pandemic, it has been decided that it would be the free will of all the parents to either send their wards to attend the school till further instructions or have them studied by other means. In case parents decide to send their ward to the school they will be sending them with their free consent.

Please be informed that though the school administration has taken due precautions all the necessary steps with respect to prevention and protection of the students, however it would be at the sole discretion and responsibility of the parents to send their ward to school for attending the physical classes and school administration would not be responsible for any untoward incident.

In addition we would like to inform you that it might be risky to use the common transport, hence considering the safety of the students it has been decided not to provide the school transport during these days.

In view of above we request you to give your formal consent while sending your ward to school on the above terms.
